

Gainesville Vipassana Society

OPENING TO LIFE EVENTS

Join us for a day of practice at beautiful Casa Micanopy. Together we will enjoy the silence and simplicity of sitting, standing, and walking meditation. There will also be guided movement and relaxation. The quiet natural environment provides an ideal setting for going deeper into practice.

There will be a vegetarian potluck lunch. So bring a dish.

July 11, 2020 - Casa Micanopy

Facilitators:

Paul Linn is a co-founder of GVS, Inc., and has been involved with insight meditation and dharma teachings for 40 years. A psychotherapist and teacher, he offers seminars and residentials throughout the US mainland and Hawaiian Islands. His teaching style facilitates the immediacy of Awakening as ordinary, direct and inherent.

Steve Bean is a co-founder of GVS, and he has been co-facilitating residentials at GVS for the past 20 years. In addition to his years of meditation experience he brings the integration of meditative movement from various traditions including yoga, tai chi, and qi gong.
